

Connecticut Retirement Colony

Future Housing Development for Deaf, Deaf-Blind, and Hard of Hearing Senior Citizens

Fund Raising

Connecticut Retirement Colony, Inc., a non-profit organization serving the deaf community, is now collecting and accepting empty and clean recyclable plastic water, soda and juice bottles and cans.

The money from these recyclable bottles will be used for legal expense in obtaining and renovating the former Borough Elementary School located in Stafford Springs into a 24 unit apartment for the deaf, deaf-blind, and hard of hearing senior citizens.

Please drop off recyclable bottles with CT-5¢ imprint to:
1745 Asylum Avenue, West Hartford.
